

LONDON SCHOOL
OF BARBERING

COURSE BROCHURE

BEGINNER COURSES

The London School of Barbering is more than a training provider—it's a launchpad for your career. Our academy blends expert-led teaching with a real barbershop environment, so you don't just learn techniques—you master them through hands-on experience with real clients from day one. Small class sizes ensure you get personalised coaching, while our structured courses cover everything from classic barbering skills to the latest trends. With state-of-the-art facilities, industry-recognised qualifications, and a proven track record of producing job-ready graduates, we equip you with the skills, confidence, and professional mindset to thrive in the world of barbering.

1

Beginner to Job Ready (Level 2 Diploma) 9 Weeks

Master the essentials of modern barbering in just 9 weeks with intensive, hands-on training. Learn cutting, fading, styling, and grooming techniques from expert educators, progressing from mannequin work to real clients in a barbershop-style academy. You'll gain practical experience in a fast-paced, professional setting, building both skill and confidence. Train Monday to Friday in either morning or afternoon classes, and graduate fully qualified and ready to launch your barbering career.

3

Beginner to Job Ready (Level 2 Diploma) 20 Weeks - Saturdays

Develop complete barbering skills over 20 weeks with in-depth, hands-on training. Learn cutting, fading, styling, and grooming techniques from expert educators, progressing from mannequin practice to working on real clients in a professional barbershop-style academy. Train on Saturdays with full-day sessions, giving you an authentic shop experience. Graduate with a Level 2 Diploma, fully qualified and confident to start your barbering career.

2

Beginner to Master (Level 2&3 Diploma) 12 Weeks

Build a strong foundation in barbering over 12 weeks—with hands-on training in a real barbershop environment. Learn client consultation, health & safety, shampooing, precision cutting with scissors and clippers, beard and moustache trimming, and wet shaving. Practice on both mannequins and live models to hone your technique. Train Monday to Friday in either morning or afternoon classes, and by the end, you'll be fully qualified and ready to confidently step into the barbering world.

4

Beginner to Job Ready (Level 2 Diploma) 24 Weeks - Evenings

Gain professional barbering skills in a flexible 24-week evening program, perfect for those balancing work or other commitments. Training takes place on Monday and Tuesday evenings, covering cutting, fading, styling, and grooming techniques. You'll progress from mannequin practice to real client work in a barbershop-style academy, graduating with a Level 2 Diploma and the confidence to begin your barbering career.

WHY LSB IS THE BEST TRAINING PROVIDER?

Expert Trainers: Learn from industry professionals with years of barbering experience who guide you every step of the way.
Hands-on Practical Training: Gain real skills through supervised practice sessions designed to build your confidence and technique.

Real Clients: Practise on live clients provided by the academy to simulate real working environments.

Industry-Recognised: Qualifications: Graduate with certifications respected across the barbering industry.

E-Learning Platform: Access exclusive, step-by-step tutorial videos to supplement your in-class training anytime, anywhere.
Barber Jobs Platform: Benefit from direct recruitment opportunities through our network of over 2,000 barbershops and salons.

What Makes LSB Training the Best?

London School of Barbering stands out as the premier choice for aspiring barbers due to its unmatched combination of expert-led teaching, extensive hands-on experience, and career support. At LSB, students not only learn the latest barbering techniques from industry professionals but also gain invaluable practical experience by working on real clients, ensuring they are job-ready from day one. Our proprietary e-learning platform provides continuous learning support beyond the classroom, allowing students to master skills at their own pace. Moreover, LSB's strong industry connections open doors to employment through our dedicated barber jobs platform, connecting graduates directly with over 2,000 barbershops and salons actively seeking new talent. With personalised guidance from pro educators who prioritise building confidence and skill mastery, LSB truly delivers exceptional training and sets students on the path to a successful barbering career.

PAYMENT OPTIONS

Flexible Payment Options to Suit You

At London School of Barbering, we believe training should be accessible – that's why we offer flexible payment plans designed around your needs.

Pay from just a 10% deposit!

Secure your place on any course with a low, non-refundable deposit of only 10%. You can then spread the remaining balance over time, giving you the freedom to pay at your own pace.

Easy Instalment Plans:

After your deposit, simply pay the rest in up to three manageable instalments. You can continue to pay as you train, making it easier to budget without stress.

Booking Ahead:

Once your deposit is paid, you have until four weeks before your course starts to clear your balance (five weeks for non-UK bank transfers). You decide how much and when you pay, as long as the full amount is settled on time.

Pay in Full:

Prefer to pay upfront? You can always settle your course fees in full when you enrol.

All course fees must be fully paid before your course finishes.

This flexible approach helps make your barbering dreams achievable – without compromising your budget.
